WiFi Smart IR Controller

（WiFi+RF/ZigBee）（Humidity Sensor）（Global Libary Code）

1. It can replace all physical remote control
2. Control all devices by Apps or Voice Alexa ＆Google Home
3. Learning function
4. Scene function (one button control all devices before you setting)
5. Customize: Global Libary Code(Libary Code Cloud API+WiFi Module Re-Programme)

IR01

IR02

WiFi Socket

1. It can change all old electrical apliances into smart
2. Control all devices by apps or Voice Alexa & Google Home
3. Remote control (you can control your devices anywhere anytime)
4. Scene function (one button can control all devices before you setting)
5. Energy Monitoring
6. Support IFTTT

SB007

Smart Car Garage Opener

1. Conveniently open and close your garage door by turning your existing WiFi network and garage door opener into a single integrated smart device that you can control and monitor from anywhere.

2. Acivate your garage door opener by Tapping on the Apps or your voice command to your Alexa or Google Home or soon,by driving near your garage door (this feature is in beta release).

3. Multi-user Access ＆ Remote monitoring.

SB006

SB003

SB008

WiFi Thermostat

1.Support device sharing to your family or friends,support smart scenes,and add thermostats to the app without restrictions;

2.Universal 2.4G wireless WiFi communication technology,supporting SmartConfig and AP two distribution networks(including Android and IOS devices);

3.Create a thermostat group for centralized control;

4.Integration with Amazon Echo,Google Home,Tmall Genie,IFTTT;

5.The product supports OTAwireless upgrade,using wireless data encryptiob technology;

6.Strictly implement CE and FCC international test standards and meet ROHS requirements;

7.The product design is exquisite,compact and flexible to install.

TM001

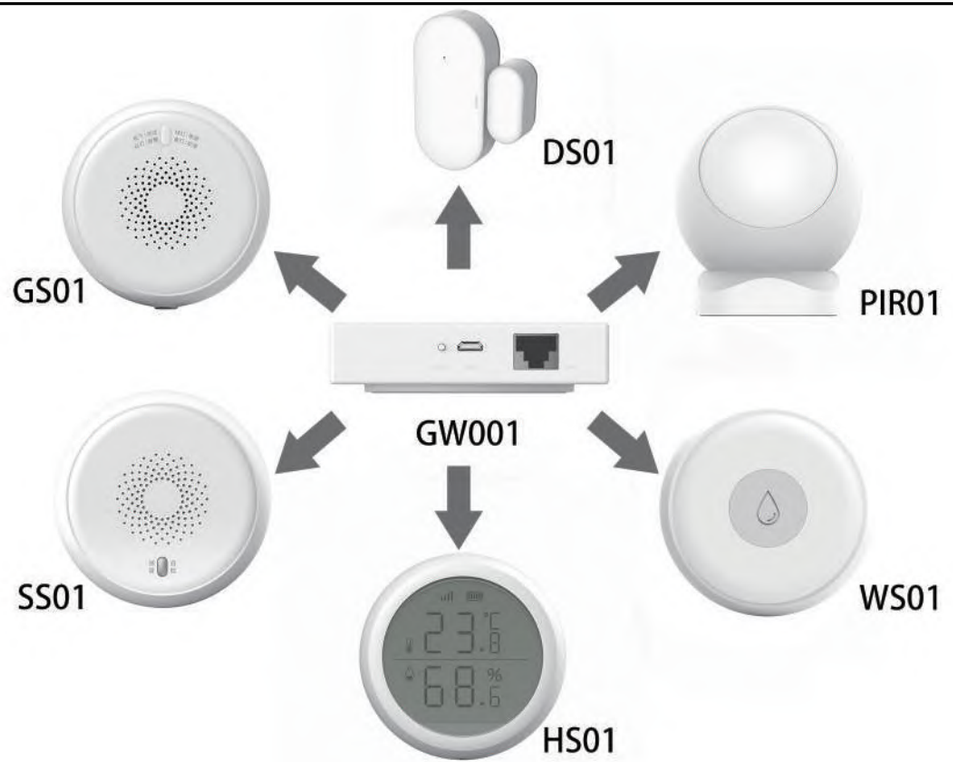

TM002

ZigBee-Sensor Kits

1.The TUYA Smart ZigBee Gateway is the core device of the ZigBee network.ZigBee communicates with the cloud and mobile app and the ZigBee device can be viewed and controlled through the App

2.The device is added to the network through the gateway to communicate with other ZigBee devices. the gateway is connected to the router through a network cable.

Security RF Kits

(Alarm Hub & Door Sensor & PIR & Remote Control)

Make Sure your Home always safe. When important entry areas such as windows/doors are opened or when motion is detected, get a instant push alerts on your phone. An alarm will issue 120dB alert. The deterrent alert will scare off the unexpected visitors.

Navigational Robot Vacuum Cleaner

1. Planned cleaning path, WiFi version with Live Map, Alexa & Google Home voice controlling.
2. Gyro-Navigation + SLAM technology, Automatic daily cleaning,Sweeping & Mopping.
3. With water tank can be used in Wet & Dry.
4. Automatically back to origin or charging station.

RSH–MS03W – Motion Sensor

PIR and Vibration sensor (for tamper)

Size: 53x53x31mm

Powered by 2x CR123A battery (1 year battery life)

Motion push message and history records

Support scence configuration

FCC, CE, RoHS certified

RSH–DWS02W – Door Window Sensor

Magnetic Contact Sensor

Size: 70x40x18 mm

Powered by 2XAAA batteries, 6 months battery life

Open/Close push message and history records

Tamper & Low Battery Alert

Support scence configuration

FCC, CE, RoHS certified

RSH--FLD01W – Flood Sensor

Water leak detection

53.5x53.6x31 mm

Powered by 2XAAA batteries, 1 year battery life

Low battery alert, Detection push notification History records

FCC, CE, RoHS certified

RSH–C1002W Door Camera

Work with Alexa & Google Home

Lower Power consumption & Battery for 1year

Two-way Audio & Video

720P & 1/4" CMOS /1.0Mega / 150°Visual angle

Support SD card & Cloud storage

RSH-WC005 WiFi IP Camera

Work with Alexa & Google Home & IFTTT

720P or 1080P & two way Audio & Night Version

Support SD card & Cloud storage

RSH-WC008 (Mini8 1080P) WiFi IP Camera

Work with Alexa & Google Home & IFTTT

720P or 1080P & two way Audio & Night Version

Support SD card & Cloud storage

RSH-WC009 WiFi IP Camera

Work with Alexa & Google Home

Remote control

Voice control or by Apps.

Two-way Audio & Night Version & 1080P

RSH-WC010 WiFi IP Camera

Work with Alexa & Google Home & IFTTT

720P or 1080P & two way Audio & Night Version

Support SD card & Cloud storage

Aluminum Die-Casting/Water proof

RSH-SP003D-EU/UK Wall switch panel without Dimming

Operating voltage: AC100 – 240V, 50 / 60HZ;Load power: ⩽1000W / Road
Standby power consumption: ⩽ 0.5 W;Working temperature: 0 ℃ ~ 80 ℃
Relative humidity: 10% to 93% (non-condensing)
Control: Touch, a mobile control;Work with Alexa & Google Home
Voice control & Remote control by Apps;Wiring method: zero, FireWire
Applicable products: incandescent, energy saving lamps,
fluorescent lamps, LED lamps and other lighting
one gang 4A/800W; two gang 8A/1600W; three gang 10A/2400W
Work with Alexa & Google Home; EU/UK style

RSH-SP003-USA Wall switch panel without Dimming

Operating voltage: AC100 – 240V, 50 / 60HZ;Load power: ⩽1000W / Road
